MANUFACTURER'S CERTIFICATE

(This document is not required by an import regulation, it is voluntarily issued)

Siegersbrunn/Germany December 2006

We confirm that the moulded INKA particle board pallets used in this consignment by our client or distributed via our reseller

company:

address:

city, country:

are manufactured, in the same way as particle board. After drying the wood particles to a moisture content of only 4 %, follows a moulding process using pressure heat and glue. These processes can not be survived by any plant pests.

Therefore these pallets are **entirely composed of manufactured wood** according to the international guidelines for phytosanitary measures IPPC-ISPM15

We confirm that these moulded pallets are particle board. WPM which is not regulated by MAFF Notification No. 1352. These pallets are of heat processed wood, so they are considered as sufficiently processed and totally free from any plant pests according to IPPC-ISPM15!
