## **MANUFACTURER'S CERTIFICATE**

(This document is not required by an import regulation, it is voluntarily issued)

Siegersbrunn/Germany

We confirm that the moulded INKA particle board pallets destined to be exported to the **REPUBLIC OF INDIA**, by our client/ distributed via our reseller

**exporter:**

**address:**

**city, country:**

are manufactured, in the same way as particle board. After drying the wood at 300 F (150 C°) to a moisture content below 4 %, it is moulded in addition with synthetic binder under a pressure of approx. 1300 psi and 400 F (200 C°) degrees. This moulding process can not be survived by any plant pests.

Therefore these pallets are considered as processed wood in the meaning of **FAO-IPPC-ISPM15**. This is riskless material according to **FAO-IPPC-ISPM15, (International Planth Protection Convention – International Standards for Phytosanitary Measures)**.

**We confirm that these moulded particle board pallets are of processed wood and are totally free from any plant pests according to Plant Quarantine (Regulation of Import into India) Order, 2003 and the Notification by the Government of India, Ministry of Agriculture, May 31, 2004!**
